FURTHER SUPPLEMENT TO PETITION FOR RULE MAKING

Ralph Tyler ("Mr. Tyler"), licensee of KTSH(FM), Tishomingo, Oklahoma, by his attorneys, hereby respectfully submits this Further Supplement to his pending Petition for Rule Making to provide additional information to the Commission. In support, the following is shown.

Mr. Tyler on March 21, 1997, filed his Petition for Rule Making and Request for Issuance of Order to Show Cause that proposes the reallocation of Channel 259C3 from Tishomingo, Oklahoma, to Tuttle, Oklahoma, and the modification of the license of KTSH to operate on Channel 259C3 at Tuttle. On June 25, 1997, Chisolm Trail Broadcasting Co., Inc. ("Chisolm") filed a Motion to Dismiss Mr. Tyler's Petition on the ground that it would deprive Tishomingo of its only broadcast service. On July 9, 1997, Mr. Tyler opposed Chisolm's Motion, in part, by demonstrating that an application (File No. BPED-970127MD) had been filed seeking a construction permit for a new noncommercial educational FM station at Tishomingo. On October 17, 1997, the Commission released a *Public Notice*, Report No. 44099 (copy attached), that announced

the grant of the construction permit to South Central Oklahoma Christian Broadcasting, Inc. This Further Supplement is being filed to apprise the Commission and the parties of this development.

Wherefore, in light of the above it is respectfully submitted that the Commission accept and consider this information in connection with its consideration of a notice of proposed rule making in the above-captioned matter.

Respectfully submitted,

RALPH TYLER
